**PARLIAMENTARY ASPIRANT-EMUHAYA CONSTITUENCY**

**MY VISION FOR EMUHAYA CONSTITUENCY**

- ❖ My vision for Emuhaya constituency is to see healthy industrious people actively participating in development.

**WHAT I HAVE DONE FOR MY PEOPLE IN EMUHAYA CONSTITUENCY.**

- ❖ Brought the F.S.A – village bank to promote savings in the community and promote the income generating activities (I.G.A)
- ❖ Rehabilitated shallow wells-to ensure clean drinking water is provided so as to reduce water borne diseases.
- ❖ Started piped water project - rehabilitation of the source done we are looking for a donor for funds, to provide water to 4,000 people to cover 5km<sup>2</sup> which will help people to:-

- Reduce the walking distance
- Create employment
- Promote horticulture activities
- Promote irrigation in agriculture/ livestock sector
- Increase household income
- Increase food security
- Reduce poverty

**WHAT I WILL DO WHEN ELECTED**

- ❖ I will concentrate on the formation of various income generating projects, by various types of groups e.g. widows, women and youths so as to improve their household income.

- ❖ I hope to improve bridges/ roads network, so as to ease marketing of farm produce. Also improvement of health facilities, which are less stocked and enhance productivity in Agricultural/ Livestock sector while offering employment and education.
- ❖ I will ensure that there is clean drinking water, so as to reduce water borne diseases.
